Attention: All Producers and Shippers at Gibson Energy Terminals

Re: Operational notification notice

Effective January 1st, 2019, all operational notifications pertaining to Gibson Energy terminals will now be posted in Petrotranz.

To view these notifications, you will need to subscribe to Operational Notifications within Petrotranz. Please follow up with support@petrotranz.com before January 1st to subscribe to this service or see the above attachment detailing this process.

Should questions arise, please contact myself at (403) 781-2678.

Thank you for your attention to this matter.

Regards,

Sean Warner
